Ascent

Available: Power, Manual, Power XL, Manual XL

The Ascent is an upscale, stylish recliner, featuring swing-away arms for patient transport and extra padding for increased comfort. Also available in wingback style, the Ascent boasts the durable engineering and strength of the Classic but with an upscale design, making it an ideal medical chair for patients and providers.

Key Benefits

- With a reinforced steel powder-coated frame and heavy-duty casters, the Ascent medical recliner is built to last.
- Designed to accommodate patients up to 500 pounds, the bariatric model (XL, 66P) is deeper and wider than the standard model.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.
