The Classic

Available: Power, Manual, Power XL, Manual XL

The Classic is an economical recliner which has a rock-solid steel frame and heavy-duty casters, making it ideal for a variety of applications and environments.

Regardless of size, location, and type — every medical facility needs seating solutions that meet the needs of their patients and providers.

The Classic provides patient comfort and ease of use, plus product longevity and dependability.

Key Benefits

- This workhorse recliner is perfect for facilities of any size and budget, and it's engineered to meet the most demanding applications.
- Infinite recline positions and either stationary or swing-away arms provide optimal patient comfort and better access for caregivers.
- With fold-away tables, foot trays and quick-release seats, caregivers get more versatility and convenience from a medical recliner.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.
