The Harmony

Available: Manual

The Harmony is designed to bring medical-grade seating into a home environment for residential therapies. As such, this recliner easily integrates into and complements most existing décor.

It is an economical, quality solution for patients who can receive treatment in the comfort of their own home or need long-term care.

Key Benefits

- With a more home-like aesthetic, The Harmony comes with a traditional push-back recline, left-side table, and pedestal feet.
- Casters are also available as a customizable option. The Harmony can complement any décor.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.
