

Verō PRC shown with optional 3" dual casters, headrest cover and pillow set, and black arm caps.

Continuously evolving patient care requirements create opportunities for enhanced solutions. The Verō provides total flexibility in matching your application with the features you require and the comfort your patients demand. Powered recline and an infinite position backrest offer patient independence, while bilateral and foot-operated controls provide clinician comfort and convenience. Customizing the right recliner for any environment is easy with your choice of arm type, table styles, Trendelenburg, casters, and more.
