Augustine

Available: Manual XL

The Augustine is designed with a person-centric approach, to be comfortable and help put the patient at ease. This economical treatment recliner has the clinical features needed for high-use medical environments while engineered to mimic home furnishings with concealed casters and a spacious seat that provides luxurious comfort.

Key Benefits

- Enhanced range of motion for optimum, patient-selectable positioning promotes independence and a relaxing experience.
- Quick Release Seat is easily removed for efficient and thorough cleaning.
- Standard rear central caster lock offers impressive stability and an optional Central Front Brake allows secure braking from the front of the chair, with no obtrusive levers or mechanisms to impede staff or visitors.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.
