The Drop Arm Care Cliner

Available: Manual, Manual XL

At Champion, we deliver value by optimizing form and function.

The Drop Arm Care Cliner is designed with arms that can be lowered flush with the seat to aid in patient transfer. It also offers manual recline and padded drop-down armrests, empowering caregivers to manage the healthcare experience with functional access and comfort.

Key Benefits

- Dual drop arms lower independently to seat height for easing patient transfer.
- “One touch” release action lowers arms quickly for patient access.
- Can be used in dialysis, phlebotomy, oncology, and cardiac settings.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.

Common Applications:

Extended Care, CHCs, Residential Facilities

Standard Features

Trendelenburg Positioning

Drop Arms & Headrest Protector
