Verō

Available: Power, Manual, Power XL, Manual XL

Champion is leading the way when it comes to engineering medical seating that is both innovative and functional.

The Verō features a modular design that allows you to choose the exact configuration required to meet your specific needs.

Ergonomic design can prevent repetitive strain injuries among the medical team and caregivers while providing safety and comfort for the patient.

Key Benefits

- Multiple recline positions promote patient independence.
- Modular design allows choices in how the chair is anchored or moved. Whether stationary or for patient transport, Verō has a perfect solution.
- The controlled recline descent provides gentle patient positioning while avoiding injury to caregivers.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.
