Siesta Key Sleeper®

Available: Manual

Safety. Comfort. Cleanliness. Ambiance. Every aspect of the labor, delivery, and birthing experience can make a lasting impression on new mothers and their families.

The open-concept design of the Siesta Key Sleeper provides stylish daytime seating and spacious sleeping for overnight guests.

This sleeper features time-tested engineering with superior durability for years of use.

Key Benefits

- Three functional configurations make product perfect for patient rooms and overnight visitor areas.
- Easy operation, low maintenance, comfortable. Powder-coated steel frame construction for durability, and rear-locking caster wheels for mobility.
- For quality engineering and patient-centric innovation that prioritizes functionality, safety, and comfort, Champion products comply with ISO 13485 and are made in the USA.

Common Applications:

Labor & Delivery Rooms, General Patient Room Seating
