

The nation's **largest provider of medical seating maintenance and service**. For over 20 years, we have been supporting the healthcare market. We pride ourselves in ensuring your equipment is operable, safe, and fully optimized to support patient care. Through our experienced staff, we offer a variety of programs to **maximize your return on investment** in healthcare seating.

## Our Commitment

### Preventative Maintenance

Our premier comprehensive service program which preserves and protects the long-term condition of your medical seating product(s) allowing your staff to focus on patient care. It incorporates quarterly, preventative maintenance visits that include:

- ✓ Deep cleaning top-to-bottom, with safe and proven stain removers
- ✓ Complete, written fleet assessment by serial
- ✓ Comprehensive in-servicing for clinical staff
- ✓ Service priced per chair for predictable budgeting (additional charges for any parts used)
- ✓ And much more!

#### NATIONWIDE

Technicians available throughout the United States to better serve you

#### RAPID RESPONSE

Service requests usually completed in under 7 days, minimizing equipment down time

#### QUALITY

Connecting hospitals and clinics with expert technicians; premium materials constructed in the USA for optimal results

#### EXPERIENCE

Factory-authorized technicians use only Champion (or Winco or TransMotion) parts

#### GUARANTEED

Repairs are documented by serial number for easy tracking; all work backed by a 100% satisfaction guarantee

#### SAVINGS

Extend life of the product and reduce capital costs

### On-Call Repairs

A case-by-case, reactive approach to servicing your medical seating products. It includes:

- Mechanical and electrical repairs, upholstery replacement, diagnostics, and troubleshooting
- Replacement and installation of standard parts

### Vinyl Restoration

If your vinyl is beginning to show signs of wear-and-tear, could use a little TLC, or if you are looking for a completely new color or pattern, you can choose to renew the vinyl on your Champion product.

- Transition your medical seating to a new color scheme
- Color match existing products
- Replacement and installation of standard parts
